“ I can't believe she's gone. Probably because her light and love will never leave us. She was such an inspiration to us to be ourselves, to be always grateful and to love one another. My prayers for her family and all friends will continue.

“ On that day she was taken to the hospital, I had given her a ride home from our Cursillo group. Kathy, Tess and I stayed behind the others to talk and Tess and I told Kathy how much she meant to our group and what an inspiration she was to all of us. She knew how much we loved her. I am so glad we had that time.

“ I love Kathy and already miss her so much. She always amazed me with how such a petite person could give such big hugs. Kathy had the ability to make everyone she met...happy. And once you were in her cafeteria, she was like your grandmother to some, big sister to others and best girlfriend to us all. Thank you Kathy for 18 years of friendship and your love. Prayers and sympathies for your family.

“ I worked with Mrs. Kathy for 20 years. She was like a mother to me. Always checking up on me and my family. That smile every day, even when I get on her last nerve, was priceless. I'm gonna miss her dancing with me to our favorite songs in the morning to get the day started, her good ole coffee, a clean break room, and the perfect salad bar. She was so genuine and kind and I must admit, I loved aggravating her lol. Such a beautiful soul! Things will never be the same without her. I'm missing her so much. I love u Mrs. Kathy!!!! Our good memories will forever be with me!

“ Kathy was such a sweetheart and served as an inspiration to us all. We will miss her smiling face, uplifting attitude, and special hugs at “halftime” at Holy Nativity. She no doubt rode the wings of a special angel sent by God to heaven.
